James Christiansen : Make Money from Home: The 5 Most Effective Ways to Make Money at Home Starting Tomorrow before purchasing it in order to gauge whether or not it would be worth my time, and all praised Make Money from Home: The 5 Most Effective Ways to Make Money at Home Starting Tomorrow:

5 of 5 people found the following review helpful. Good, if you have the skills and aptitude By TracamI downloaded the kindle version of this short book for free. It covers avoiding scams, freelance writing, getting crafty (selling home produced crafts), becoming a home products salesperson (for others) and tips on running a successful business from home. The area that most interested me was 'freelance writing' and there were some useful tips and strategies. I have no craft skills and I don't want to become a sales consultant but for those who do I think this book contains some interesting strategies. I deducted one star because I think the claim that there are 5 effective ways is a little misleading as there are really only 3.3 of 3 people found the following review helpful. Very basic and random advice, like your senile grandad might give you. By Kindle Customer You will not come away from the book ready to start earning millions. I found the book too brief and the coverage of each topic less than thorough. The kind of thing only a beginner would love. Unless that is you, I'd skip this one. 0 of 0 people found the following review helpful. It's never as easier as we think it'll be to ... By Mockingbird It's never as easier as we think it'll be to make some extra money from

home. The authors of these type books seem to make it appear to be easier than it actually is. Maybe the author had all of the right moves, right contacts and a ton of patience and that's why working from home has made them some money.... or, the money they've made from working at home was writing a book about working at home and selling said book to us out here in the world looking for a way to make some extra cash.

Looking for ways to make a little income at home? Or maybe even a lot of income? Look no farther as this book will give you the ideas and tools so you can make money from home starting now! These days everyone is working at home. No longer constrained by the need for an office (or a boss!) countless people make money online, make money freelance writing, and make money on Etsy, to name a few ways. Get this book to make money at home and learn how to get on board this huge trend so you're not left behind! In this book you'll learn: Scam artists who promise to "make \$50,000 a week from home working 30 minutes a day" and how to avoid them Proven methods of making money from home How to work from home without having your work overtake your life!
