Look smart with these easy-to-make glasses! Everyone is going to want to wear these whimsical glasses, and with two each of 16 different designs, there are plenty to go around. Boys and girls can color the imaginative styles, which include pairs adorned by a cute little sleeping kitty, tiara-topped models, ladybug- and cupcake-shaped varieties, and more. They're easy to cut out, fun to color, simple to assemble, and comfortable to wear. Great for costumes and parties, the glasses also add a dash of color to everyday activities.
