1 of 1 people found the following review helpful. Five Stars By Peter A Palatini This book is amazing. The information is so useful and the photos are impeccable. Thank you!
0 of 1 people found the following review helpful. Not for beginners By Ilovehavoc1995 Recipes are a little complicated for you average person learning about making homemade beauty products.
2 of 3 people found the following review helpful. So much great information here By Customer So much great information here! I love being able to decide what I put on my skin--and make beautiful gifts for my friends too!

Handmade beauty products are the ultimate skin-care luxury for yourself or for those lucky enough to receive them as gifts! By making your own soaps and lotions, you know exactly what is in them and can control elements such as scent, texture, and bottle design for concoctions that are uniquely customized just for you! Recipes and instructions for 39 different soaps, facial cleansers, body lotions, masks, and other beauty products An extensive reference section of ingredients gives you the knowledge you need to expand on and personalize these recipes Learn to make affordable spa-quality beauty products at home

About the Author For ten years, Jinaika Jakuszeit has been in business creating handcrafted soaps and lotions and instructing others in the craft. She believes in attention to detail in both the science of the product and the beauty of its packaging. A generous teacher, she loves to share her knowledge in her workshops and with a wider audience through this book. She teaches and works in Germany.
