Wolfgang Schimmelpfennig : Making Flying Stunt Kites One-Liners before purchasing it in order to gage whether or not it would be worth my time, and all praised Making Flying Stunt Kites One-Liners:

Imagine the excitement of watching something you've built climbing towards the sky and controlling it as it sails through the air. Full-color diagrams help you make a skyful of amazing flyers, including some with flowing tails, domed wings, box structure, and other features. Learn how to choose the right colors and materials for a kite, launch and land it, perform stunts, and more. 80 pages (all in color), 8 1/4 x 10 1/4.
