Very happy with it and shipping was fast and packaged very well .. Very happy with this purchase 1 of 1 people found the following review helpful. Holiday decorations from small gourds By Customer I liked this book demonstrating how to decorate gourds for Christmas ornaments. Many ideas were middle of the road, like why didn't I think of that? The photos are crisp and the directions are clear. These ornaments give the reader/artist ideas from which to spin off new ideas. 0 of 0 people found the following review helpful. ... from this book as of yet but its a nice addition too my By Sandra Palmer have not made anything from this book as of yet but its a nice addition too my books

162 clear color photos and lively instructions teach readers to create imaginative and colorful Christmas ornaments made from hard-shelled, miniature gourds. The designs include birdhouses, snowmen, angels, tree balls, double tree balls, tree toppers, and wall hangings. Step-by-step instructions proceed from initial gourd cleaning to final painting, wood burning, and the installation of hangers. Simple tools are required to complete the projects. Advice for growing gourds and a gallery of finished ornaments are provided to fire the reader's imagination to create beautiful handcrafted objects.

About the AuthorAngela Mohr's passion for gourd ornaments began fifteen years ago with a bumper crop of gourds in her backyard garden. She has been making ornaments at home in Stephens City, Virginia, ever since.
