Casey Makela : Making Natural Milk Soap: Storey's Country Wisdom Bulletin A-199 (Storey Country Wisdom Bulletin, a-199) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Making Natural Milk Soap: Storey's Country Wisdom Bulletin A-199 (Storey Country Wisdom Bulletin, a-199):

10 of 10 people found the following review helpful. great starter book
By kwgpe This was one of the first books I read on soap making, it is very good and covers the basics well with a lot of good info for doing soap without a big investment in equipment.
0 of 0 people found the following review helpful. A must-have for soap makers!
By EvaMarieRush Very nice quality paper, interesting and informative history of milk and soap making, extremely helpful directions and explanations that leave you feeling informed instead of ignorant, step-by-step instructions all the way from making the molds, to a safe work environment, to the finished product. Very diverse selection of recipes, something for everyone to choose from. My favorite is the lavender lace soap!
