Janet M Perry, Art Needlepoint : Making Overdyed Threads Behave (Predictable Results in Needlepoint) (Volume 5) before purchasing it in order to gage whether or not it would be worth my time, and all praised Making Overdyed Threads Behave (Predictable Results in Needlepoint) (Volume 5):

Learn how to use overdyed threads in projects other than geometric designs. In this Predictable Results book you'll discover easy techniques that will help you use these lovely threads in any needlepoint piece.

About the AuthorJanet M. Perry is the Internets expert on needlepoint counted thread. Her books, stitch guides, ebooks, and on-line classes explore exciting new uses for this new old craft. She puts into practice her motto to make

needlepoint fast, fun and affordable. Janet is constantly stretching the bounds of needlepoint and then applying these ideas and techniques to projects which are for beginning and intermediate level stitchers. She has also written a beginning needlepoint class, taken via email, which has been given to over 2000 people. Janet has never met a thread she didnt like and is constantly doing or thinking about needlepoint. She makes her home on historic Mare Island in San Francisco Bay with her husband and three black cats. You can view her products and sites through Napa Needlepoint (<http://www.napaneedlepoint.com>) Change, improvement, creativity and beauty are at the cornerstone of the Art Needlepoint company, <http://www.artneedlepoint.com>, founded by Doreen Finkel. The company has a simple premise: art speaks to everyone. Needlepoint as an art form has unlimited beauty and opportunity for creativity
