Margeret Kennedy Scott Mary Beazley : Making Pressed Flower Pictures before purchasing it in order to gage whether or not it would be worth my time, and all praised Making Pressed Flower Pictures:

6 of 6 people found the following review helpful. Making Pressed Flower PicturesBy Anne M. PostA great book covering selection, gathering and pressing using traditional methods, with information and diagrams to make several types of presses.Chapters include Flowers and Presses, Pressing flowers, Frames, Backgrounds, Creating the Design, Finishing and Framing, Reconstituting and Skeletonizing Flowers and more, including several useful appendices and a glossary of garden flowers and wild flowers lists many flowers and plants that press well, giving the botanical and common names as well as tips for pressing, recommended varieties, and color retention.
