Jill Bryant, Catherine Heard : Making Shadow Puppets (Kids Can Do It) before purchasing it in order to gage whether or not it would be worth my time, and all praised Making Shadow Puppets (Kids Can Do It):

0 of 0 people found the following review helpful. Five StarsBy Ellen PalsGreat book and interesting history included.6 of 6 people found the following review helpful. Kids can really do these projectsBy Earthen Delights Jewelry/ Pottery DesignsI really love the clear instructions in the Kids can do it book series.Because I Teach at a summer art program and it's nice to have materials that I can use with my students who reange form k to 6th grade. making shadow puppets has everything you'll need to explore the wonderful world of shadow puppets.0 of 0 people found the following review helpful. Great condition fast delivery!By Pat in SyracuseVery well- done! Good descriptions!

In this Kids Can Do It title, kids discover the secret to creating traditional shadow puppets based on designs from

around the world. With instructions for nine beautifully crafted and decorated wooden rod puppets, portable screen set-ups, scenery and script ideas, this book will help them put on plays that are sure to astound their family and friends -- without a shadow of a doubt! Puppet ideas include * a snake * a robot * a flying bird * a monster

About the Author Jill Bryant is an author who specializes in children's nonfiction. When Jill was a child, she especially enjoyed creative play activities. Children's theatre - combined with her travel experiences in Asia - have inspired many of her books. After several years of living abroad, Jill Bryant now lives in Kingston, Ontario.
