Joyce Luckin : Making Teddy Bears before purchasing it in order to gage whether or not it would be worth my time, and all praised Making Teddy Bears:

3 of 3 people found the following review helpful. Beautiful Handmade Bears By Joysong Beautiful book with full page pictures of each bear in full color. Book includes pattern pieces for all the bears and clear, step by step instructions for creating each unique bear. There are more than 25 different bears, each with his/her own name and design....a bear for every personality. This is a must-have book for bear lovers and collectors alike.

Easy-to-follow guide provides patterns and simple instructions for creating 27 huggable little bruins, including Brumas, a delightful polar bear; the diminutive Augustus, Ramsey and his bagpipes, and many more. Step-by-step

directions tell how to prepare patterns, select fabrics, assemble pieces, and stuff the bear.
