**Kathy Fawcett, Carol Shoaf : Marbling Fabrics for Quilts: A Guide for Learning and Teaching** before purchasing it in order to gage whether or not it would be worth my time, and all praised Marbling Fabrics for Quilts: A Guide for Learning and Teaching:

7 of 7 people found the following review helpful. Marbling fabrics for QuiltsBy pat kuhnappelAn excellent book for the beginning fabric dyer. It covers materials, selecting and preparing fabrics, and the selection and preparation of paints used. It gives wonderful design ideas using pictures anyone can follow. There is a trouble shooting section and even lessons that you can use to teach others this wonderful skill. I have this book and would love to obtain another to send to a friend in Europe.0 of 3 people found the following review helpful. Five StarsBy CustomerGreat book! Love marbling!
