C. S. Forester : Marionettes at Home before purchasing it in order to gage whether or not it would be worth my time, and all praised Marionettes at Home:

Inspired by a marionette show he saw, C.S. Forester, a novelist and theatre lover, decided to create his own puppet theatre at home. In *Marionettes at Home*, first published in 1936, he shares his experience and enthusiasm for amateur puppeteering and takes the reader step-by-step through the stages of creating one's own theatre; from stage

construction and puppet making, to acting and production. Written with passion and sense of humour *Marionettes at Home* is a little gem that anyone interested in the theatre and puppeteering history would enjoy.
