Parramon Studios : Marquetry (Woodworking Class) before purchasing it in order to gage whether or not it would be worth my time, and all praised Marquetry (Woodworking Class):

1 of 1 people found the following review helpful. Marquetry (woodworking class)By WoodworkingMasterclassGreat book I have been doing Marquetry for over 20 years and found some new ideas and techniques fantastic photos and a good all round read. Wood highly recommend for beginners and experienced MarquetryansCheersSteve1 of 1 people found the following review helpful. The right book for the right job!By CustomerThis is exactly what I needed. Thanks!!!0 of 0 people found the following review helpful. Five StarsBy vtgood book, thanks

Color-illustrated "Woodworking Class" books inspire readers to build their own beautiful wooden furniture. Detailed easy-to-follow instructions will transform beginners into capable craftsmen and handy home improvement experts. Instruction in this book direct readers through the art of combining woods and veneers to create a variety of elegant designs that add a professional decorative touch to projects that include a rectangular container lid, a mirror frame, a table top, a bookstand, and more.
