Well, lo and behold, she came to visit, loved the book, and asked if she could take it home! What could I say? So I am ordering my second book, as I got such a kick out of all the cute ideas. Perfect for making homemade things to sell at your Christmas bazaar, or just to have for your own

Martha Stewart's Favorite Crafts for Kids focuses on craft projects that children, aged three to twelve, can make with their parents. These projects are fun, yet serve a practical purpose; children can wear, decorate, and play with what they make. Filled with ideas for a range of ages, skill levels, and interests, this book lets children's creativity run wild, while creating precious memories as parents and kids learn and create as a team.
