**Rozsika Parker : The Subversive Stitch: Embroidery and the Making of the Feminine** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Subversive Stitch: Embroidery and the Making of the Feminine:

0 of 0 people found the following review helpful. Five StarsBy awegsexcellent book, historical uses of stitching to enforce "femininity"0 of 0 people found the following review helpful. A worthwhile history of stitchBy Shirley GoodwinI bought this for my final year major art project, and ended up using as a refernce for art history as well. Excellent.0 of 0 people found the following review helpful. Subversive StitchBy M. BasartGood book for students of

stitching, embroidery and the role of women's work in the early days of stitch and embroidery

Rozsika Parker's now classic re-evaluation of the reciprocal relationship between women and embroidery has brought stitchery out from the private world of female domesticity into the fine arts, created a major breakthrough in art history and criticism, and fostered the emergence of today's dynamic and expanding crafts movements. The Subversive Stitch is now available again with a new Introduction that brings the book up to date with exploration of the stitched art of Louise Bourgeois and Tracey Emin, as well as the work of new young female and male embroiderers. Rozsika Parker uses household accounts, women's magazines, letters, novels and the works of art themselves to trace through history how the separation of the craft of embroidery from the fine arts came to be a major force in the marginalisation of women's work. Beautifully illustrated, her book also discusses the contradictory nature of women's experience of embroidery: how it has inculcated female subservience while providing an immensely pleasurable source of creativity, forging links between women.

""A book wonderfully rich, not only in information, but in people and ideas."" -- Guardian""A marvellously written and illustrated book.""-- Times Educational Supplement
