I found Marilyn Scott-Waters' web site first, and fell in love with her creative spirit! Very nicely made book, beautiful designs - Very well thought out! Not your ordinary paper cut-outs! I'm sure has written a good description of the book itself, so I'll just tell you that I've had a lot of fun putting the pieces together and displaying them. All the children who come to the house are fascinated by them and want to make their own. Take a look! Enjoy!3 of 3 people found the following review helpful. Not just for

kids!By TeLiThe Toymaker: Paper Toys that you can make yourself is a fabulous book full of creative, imaginative playthings. The only drawback is that the designs are so wonderful you don't want to ruin the book by making the toys!! I would recommend this book for every child and every child at heart!0 of 0 people found the following review helpful. Great book!By Raykim98This book is great. The projects are fun and not hard. This book provides enjoyment for the whole family! It's worth the price, and makes a nice gift for all ages!

The Toymaker: Paper Toys That You Can Make Yourself contains the following toys, a Sun Box, Spinners, Marble Mice, Tooth Fairy Gazebo, The Happy Bus, A Bug Box, A Bear Wagon, Florimel the Magnificent, A Butterfly Basket, A Window to Fairyland, A Penny Aeroplane, The Toy Shop, A Dream Theater, two Penny Butterflies and a Cootie Catcher with instructions. The toys are simple enough for younger children yet whimsical to intrigue older kids, as well as the young at heart.
