The enlargement badly distorts the pictures making them useless.1 of 1 people found the following review helpful. The great Cellini speaks on art and life.By Welsona CrossingAn excellent guide to a wide range of metal working and sculptural techniques made all the more interesting by the dynamic and outspoken character of the author. The great Benvenuto Cellini is a proper model for all artists: be excellent, honor excellence in the work of others, and do not suffer fools to waste your time or disparage your work without answering them forcefully.
