Kathleen Patterson : The Ultimate Book of Flowers before purchasing it in order to gage whether or not it would be worth my time, and all praised The Ultimate Book of Flowers:

The Ultimate Book of Flowers is not just a feast for the eyes. It offers easy-to-implement tips for planting rewarding gardens and containers and will guide and inspire the reader to bring the beauty and fragrance of flowers into the home in many forms including attractive fresh and dried arrangements, delicate works of pressed flower art, the heady scents of potpourri or floral oil, homemade teas infused from herbs and flowers, and home decoration with floral motifs. This book explores every aspect of the floral world, from its history and evolution to the many practical and decorative uses of flowers, an illustrated cornucopia of breathtaking photographs and illustrations.
