Marcianne Miller : The Ultimate Gel Candle Book before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Ultimate Gel Candle Book:

0 of 0 people found the following review helpful. Five Stars By redcanary Great tips for gel candle making 1 of 1 people found the following review helpful. love it By Sandra Coleman Amazing candles. Last love it 1 of 1 people found the following review helpful. Good Book By Joan Ryberg This book has been very helpful with ideas in making Gel candles. It gives good instructions and has lots great ideas for different candles.

New gel candlemakers get a friendly greeting to the craft with plenty of basic projects and helpful tips on technique; as they gain more experience, more detailed and exquisite items await their imaginative touch. Add glitter, insets, fragrance, and layers of color even vertical ones. Among the awe-inspiring projects: a polymer clay spider weaving its web in stylish clear gel; a patriotic Stars Stripes design; and even a Gumball Machine candle.
