The Ultimate Sunbonnet Sue Collection (Leisure Arts #1881)By Nancyh8I really

enjoyed "The Ultimate Sunbonnet Sue Collection" as it was so full of information that one needs to make a quilt, wall hanging, or just to pick out the colors for embroidering quilt blocks that can complement this collection. The Ultimate Sunbonnet Sue Collection" gives instructions for making an entire quilt from beginning to end, showing how to pick fabrics, place fabrics together together with or without batting. How to make Bias Binding or to make an envelope Quilt. There are templates that you can trace or cut out and paste on another harder surface included in this collection. The Ultimate Sunflower Sue Collection is true to its name as it even shows how to do embroidery stitches that you may use if you so desire. I think this booklet has the best information for its price of any I have purchased from .

Recapture the charm of turn-of-the-century Sunbonnet Sue with these 24 applique blocks. Capture yesteryear's childhood sweetheart within a four seasons wall hanging and quilts (from baby to king-size).
