**Pauline Cockrill : The Ultimate Teddy Bear Book: Sticker Album** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Ultimate Teddy Bear Book: Sticker Album:

2 of 2 people found the following review helpful. This is the ultimate Teddy Bear Book By Judy Porter I have made antique reproduction teddy bears and bought and sold antique bears as a hobby since 1994. This is a great book if you are an arctophile (have a fondness for teddy bears). The color photography is excellent. Many very important bears (as far as high value \$ and collector value are concerned, example- "Happy" 1926 Steiff, sold for \$86,350) are featured on a full page with essential identification information. The book covers the history of the teddy bear, both American influence and German. The author includes sections on the materials used in early and modern bear making, bear apparel, memorabilia and even the care and repair of teddy bears. You will be taken on a century long teddy bear journey beginning in the 1890's through 1990's. Honestly it is the best teddy bear book I have ever read. If you deal or sell antiques this book will certainly be an asset when it comes to identification of antique bears. For those who like

flea market, auctions and thrift stores, this book may help you identify a very valuable collector piece that you may have otherwise not even noticed. 2 of 2 people found the following review helpful. Amazing! By Power Reader It is quite literally the ultimate teddy bear book. I got it for my daughter, and she loved it. On about every page it has a teddy bear, and description of its ears, mouth, posture, fabric and/or its trade mark. It is great for kids and adults who want to go into teddy bear history. 0 of 0 people found the following review helpful. Definitely get this one! By Customer Great book! Nicely put together. Big beautiful photos of old teddies. Nice one to add to your collection to help identify your old teddies!

This sticker book contains over 100 self-adhesive stickers of the world's favourite and most famous teddy bears. Each sticker is re-usable and can be used to decorate furniture and favourite belongings, or brighten up personal stationery.
