So far, I'm enjoying it until I just about reached the halfway point. There about 20 pages that looks like they ran out of ink when they were printing. THIS SUCKS!! I missing major parts and I think someone died during the faded pages....Do they not have people for quality control? Sigh...0 of 0 people found the following review helpful. comics are the epitome of the real deal, a classic kind-of old school comic. A comic than can still keep you guessing and the text matches up perfectly with the drawings. Its totally raw and unfiltered but is ever so intriguing. The whole story-line, itself, is what truly distinguishes it away from any other series and/or comics. I was instantly engaged; I couldn't not reserve time to watch this very realistic post-apocalyptic show on AMC that I fell completely in love with either. I began to read the comics and wow, was I truly hooked. Robert Kirkman's comics have no rules, no limitations. Its all just so raw. I love The Walking Dead: Thank you AMC!!: The only complaint i had with the compendium was that a few pages had fallen out of the book (of course, it is a huge book) but it was a gift for my boyfriend. Needless to say, I called and they were more than reluctant to help me :) to either refund me the price or send me a new Walking Dead Compendium, I ended up doing an exchange and I have no further complaints regarding this replacement copy! Thanks to the whole ordeal was simple and effortless. Thanks1 of 1 people found the following review helpful. I LOVE THE WALKING DEAD!!!By Lauren JonesI have been a fan of The Walking Dead for years now. I started watching when there were only three seasons on Netflix. So I pretty much binge watched three seasons straight, and then joined the rest of the world with watching every Sunday. Anyway, I didn't know the show was derived from comics until seeing an episode of Talking Dead. I discovered the Compendiums and I decided to buy it. I have been thoroughly entertained with these comics. I love reading them and seeing how they are the same and different from the show. I am almost finished with Compendium one, and hoping to get Compendium two for Christmas. This is a great read, just as good, if not better than the show. I am a fan of the show, and now the comics for LIFE!!!

This oversized adult coloring book features the most iconic images of Rick Grimes from the long-running comic book series. From police officer to leader of the Alexandria Safe Zone, Rick has faced down hordes of walkers and the worst humanity has to offer. Now it's your turn, just make sure to stock up on plenty of red...
