Laura Sims : The Weekend Crafter: Marbling: Easy Elegant Projects for Paper Fabric before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Weekend Crafter: Marbling: Easy Elegant Projects for Paper Fabric:

0 of 0 people found the following review helpful. Five Stars By Betty F. Great ideas! 0 of 0 people found the following review helpful. The book gives perfect instructions and ideas By Virginia Urani I recently took a weeklong class in marbling and wanted to continue at home. The book gives perfect instructions and ideas. I have already done some test work and the instructions combined with my recent classroom experience works great! 1 of 1 people found the following review helpful. good transaction By Joy A. Augenstern recommended for those interested in marbling. Laura Sims is an incredibly talented artist, and this book was one of the first on the subject of marbling and silk.

Marbling is simple, from floating the paint to rinsing and drying the finished creation. Learn to choose and mix colors, produce a range of patterns, and work with paper, fabric, and other materials. A good selection for public library crafts collections. *Library Journal*.

From *Library Journal* Marbling is a fascinating technique because the results are different every time, and they are always lovely. This book describes the easiest setup for marbling projects using acrylic paints. Containers and materials are described and a pattern chart is included. The troubleshooting section is quite useful. Projects are mostly for smaller items such as cards and bookplates that do not require a large tank of marbling solution. This does not include the advanced techniques found in Diane Maurer-Mathison's *The Ultimate Marbling Handbook*, but as a guide for beginners it is very useful. A good selection for public library crafts collections. Copyright 2002 Cahners Business Information, Inc. From the Back Cover In just one weekend you'll be able to create sophisticated-looking yet easy-to-do marbling designs just like you see in home decorating magazines and on TV shows. Whether you work on paper or fabric, every print you'll make will be one-of-a-kind, as you learn how to use paints effectively on the three basic patterns, plus many variations. In no time you'll create a Lapis Lampshade, Gossamer Threads Silk Scarf, Special Delivery Cards and Envelopes, a Vine Dance Table Rubber, and a Handsome Marbled Frame.
