Lynette Wrigley : The Weekend Crafter: Stained Glass: 20 Great Weekend Projects before purchasing it in order to gage whether or not it would be worth my time, and all praised The Weekend Crafter: Stained Glass: 20 Great Weekend Projects:

1 of 1 people found the following review helpful. Five StarsBy CustomerExcellent for classroom use. Good details for soldering.1 of 1 people found the following review helpful. and good ideas.By Kathy LonganeckerHas some unique patterns, and good ideas.0 of 0 people found the following review helpful. Great stained glass book for beginnersBy Colette GarnerWonderful product. I like the diversity in projects.

Here's the perfect book for crafters who always wanted to try stained glass but didn't want to invest a fortune or a

lifetime mastering complex techniques. All the basics are covered with smart shortcuts that achieve traditional results quickly. The 16 projects range from a candleholder to contemporary jewelry, from mobiles to window panels, and include photographs, patterns and templates.

.com A nice primer for the stained glass novice, this guide keeps most of the designs simple and the colors bright. An introductory section covers the basics; 16 well-demonstrated step-by-step projects (with patterns included) include frames, panels, candle cubes, light catchers, and pendants. Photo galleries of other items by the author and contributing artists offer yet more ideas. --Amy Handy
