before purchasing it in order to gauge whether or not it would be worth my time, and all praised The World of Eric Carle(TM) Birthday Party Kit: All You Need for the Best Birthday Bash:

The party tips booklet is in really small font--maybe 6pt or 8pt (see picture), and the content is not helpful. The "recipes" include making a caterpillar cake out of cupcakes using a cake mix, frosting in a tub, and food coloring. They also include "making kinds of sandwiches kids like" and cutting them into shapes with cookie cutters. If you are looking for party ideas, searching for 30 seconds on pinterst is much more helpful. Two stars because the treat bags (24) are decent, and the super tiny stickers are okay. 16 of 16 people found the following review helpful. Fun! By G. Mellor We had a "Hungry Caterpillar" themed 4th Birthday party for my son! This little kit is great with the "pin the tale on the elephant" game (a big hit!), the booklet will a lot of great ideas and decor. Eric Carle has a museum with a web site, so I bought a lot of cool extra's for the goodie bags. I created a Hungry Caterpillar with one red Ballon for the Head and green balloons for the body. I made the eyes, nose and antennas with white card stock paper, which I colored to match, as best as I can to the original "Hungry Caterpillar". Everyone had a Great time! 22 of 25 people found the following review helpful. The Fast Way Out By BMorrill I am doing a Very Hungry Caterpillar theme for my daughter's first birthday, and I thought this would be the ideal kit to help me plan. However, I was disappointed in the products - I had already thought of most of the ideas in the party book, and the birthday banner is quite flimsy. There are enough bags and crowns for 20 children, but only five sheets of stickers. Besides, the kit focuses on all of Eric Carle's books instead of just Hungry Caterpillar. For other Eric Carle products, visit the online shop at the Eric Carle Museum of Picture Book Art - they have actual Hungry

Caterpillar products, cloth, puzzles, etc. I had more fun choosing my own things a la carte than using a prepared kit. [...]Having said that, I am a stay at home mom, so if you're looking for something fast and easy, this is your lucky day!

Hosting an unforgettable party has never been easier! Featuring Eric Carle's beautiful artwork, this all-inclusive birthday kit is packed with goodies and fun-filled suggestions for snacks, crafts, and games. Includes: 24-page booklet with party-planning tips, recipes, and games; 20 festive party-favor bags; 20 colorful crowns; decorative "Happy Birthday" banner; Pin-the-Tail-on-the-Elephant game; and more than 50 stickers.
