Alethea Haramopolis, Jill Rizzo : The Wreath Recipe Book: Year-Round Wreaths, Swags, and Other Decorations to Make with Seasonal Branches before purchasing it in order to gage whether or not it would be worth my time, and all praised The Wreath Recipe Book: Year-Round Wreaths, Swags, and Other Decorations to Make with Seasonal Branches:

4 of 4 people found the following review helpful. A fresh interpretation of the age old WreathBy SDHI couldn't wait for my wreath recipe book to get here and now I cannot wait to try making these arrangements for myself! This book is perfect for DIY'ers and floral designers alike. The construction techniques on their own are extremely useful. If you are creative and looking for a fresh interpretation of the age old wreath I would highly recommend this inspiring recipe book.3 of 3 people found the following review helpful. Not for meBy LloydineThe book has great pictures. I was disappointed though. Bought this thinking I would see many wreath ideas. There were MANY flower arrangements. The name of the book led me to think it would consist mainly or all wreaths.0 of 0 people found the following review helpful. gift and my friend love the book and said had great ideas she was really excited to try with her grandchildren.

From the authors of the widely popular Flower Recipe Book, and in the same successful format, The Wreath Recipe Book provides 100 recipes to make with flowering and leafy branches. These aren't just evergreens for Christmas; the book is organized seasonally, with dozens of projects to make throughout the year. In the spring, a cherry blossom bough gets a touch of whimsy with a colorful ribbon, and a tabletop is adorned with lilacs and olive branches. In the summer, a garland features sage with pomegranates and citrus-colored strawflowers. In the fall, wreaths are created with magnolias, rosemary, and plums, and gourds are used to create an unexpected garland. Winter highlights cedar, pine, and juniper, yielding unexpected table settings and new wreath shapes. There are detailed ingredient lists and hundreds of step-by-step photos as well as chapters covering basic techniques, sourcing, and care information.

Genius . . . Stunning. Good Housekeeping For year-round decorating ideas, snag The Wreath Recipe Book. Its formatted like a cookbook, with ingredient lists and simple instructions for making unusual wreaths. Sunset The projects are inspiring and never overwhelming. . . . Floral designers have all sorts of tricks, of course, and the Studio Choo designers are happy to share them here. Los Angeles Times [The books] 100 wreath, centerpiece and creative natural decoration recipes . . . make me want to grab all of the branches and leaves I see on my walk home and turn them into something special for the table. . . . Alethea and Jill of Studio Choo decided to organize their book by season, with plenty of projects you can create in the spring and summer, not just in winter holiday months." Design*Sponge Garlands, abstract arrangements, and the titular wreaths for every season. . . . Framing their ideas as recipes, the authors assure the reader that anyone who can understand how to make lasagna can also make an ethereal crown of juniper, orchid, and air plants. Publishers Weekly
