Lynette Jensen : Thimbleberries Big Book of Quilt Blocks before purchasing it in order to gauge whether or not it would be worth my time, and all praised Thimbleberries Big Book of Quilt Blocks:

0 of 0 people found the following review helpful. I love these blocksBy ElliI love the blocks in this book especially the flowers and I received the book when they promised I would.0 of 0 people found the following review helpful. LOVE IT!!!By RaleyI love this book. Nice photos and easy to follow instructions.0 of 0 people found the following review helpful. Good purchaseBy patricia tannerThank you very pleased!

Presenting 60 quilt block designs that combine to make five distinctive quilts, this collection features techniques for various skill levels, a progressive approach that moves from easy to more complicated blocks, quilting basics, a broad range of quilt designs that varies from casual to formal, and different quilt-making styles.
