And several projects like crocheted rug,chair back cover,applied tea towels,pumpkins for sale wall hanging quilt ed. 25In square . Most of the book is carried out in fall colors and lovely decorating style. A lovely cottage look . But no the book does not have a lot of quilts like most of her books do.I love the fall colors and replaced my lost book.I do not see the deco as cluttered but help full in ideals , lovely candles ,wall hanging and crocks . Some larger quilts that are in other books. judy0 of 0 people found the following review helpful. Five StarsBy Donna MooreClean book delivered in record time0 of 0 people found the following review helpful. quilt book maybe???By MisE DIIf you are looking for a Thimbleberry book of quilts.. this is NOT it. Mixed in are a few quilt ideas.. but the bulk of the book relates to other ideas.

This volume shows how to mix and match colours, blend decorating styles and highlight your favourite family pieces through a simple planning process in your quilting. It includes projects for full-size quilts and wall-hangings, pillows and table runners, stencilling, furniture painting and flower arranging.

""Quillers looking to achieve a warm, country feeling in their homes have turned to Lynette Jensen's series of Thimbleberries quilting books."
