**Lynette Jensen : Thimbleberries Finishing Touches for Christmas** before purchasing it in order to gage whether or not it would be worth my time, and all praised Thimbleberries Finishing Touches for Christmas:

1 of 1 people found the following review helpful. nice pictures but that's about itBy CustomerBeautiful pictures but with absolutely no instructions and every other page being a huge title page with huge font as filler, it's a waste of money. A Christmas catalog would work better. The pictures are nice.41 of 42 people found the following review helpful. I love Thimbleberries, but this one's a Stinker!By A CustomerI am probably one of the world's biggest Thimbleberries/Lynette Jensen fans - I have made over 10 of her quilts and have several more in the works. I have five of her books and have enjoyed them all with one big exception - this one! It's just a bad rehash of photos from the "Christmas Cottage" book. No projects, no instructions, NOTHING! To make matters worse, all of the photos are taken in extreme close-up so there is no perspective on anything. Do yourself a favor: spend your hard-earned money on one of the other worthwhile Thimbleberries books.9 of 9 people found the following review helpful. A reader from MinnesotaBy A CustomerAs the title of the book implies - this is a book about "finishing touches" and decorating for Christmas not a quilt book. In addition to Lynette's gifts as a quilt and fabric designer, she is also an accomplished gardener and decorator. This book reflects her insight and ability to put that all together. I use my copy as a "coffee table" book during the holidays.

Quick and creative special touches and surprisingly simple ideas for complete holiday decorating. 14 holiday themes; candles, collectibles, greens, quilts, pillows, Santa, stars, and more. Hundreds of glorious, full-color

photographs. Perfect for Holiday gift-giving. A main selection of Crafter's Choice Book Club. A featured alternate of Country Homes Gardens Book Club

From the Publisher It has never been so easy to turn a holiday home from basic to beautiful. Candles, naturals, wreaths, ornaments, pillows, table decorations, fabric, your favorite accessories and more, can be assembled and decorated with a quick finishing touch to add special accents to your holiday decorations. Lynette Jensen, a master at color, forms, and decorative touches, shows how easy it is to add the special look of finishing touches to make your holidays a time to remember!
