Editors of Threads : Threads 2015 Magazine Archive before purchasing it in order to gauge whether or not it would be worth my time, and all praised Threads 2015 Magazine Archive:

8 of 8 people found the following review helpful. Excellent DVD Archive of Threads Magazine By Orianna "Threads" is a magazine for those who sew. It doesn't matter whether you're a novice or expert, there's content for you. Each magazine contains tips and tricks, tutorials for unique embellishment techniques, basic how-to guides, and even stuff written by the experts, like Kenneth King and those of his ilk. As I said, whether you've been sewing for thirty years or are just a beginner, you'll benefit from this magazine. What this is, however, isn't a single magazine, or even a subscription. No, it's something much more valuable---an archive! The archive contains EVERY article of EVERY issue they've produced since the very first magazine in 1985. It goes right up to the end of 2015, which means you're

getting 31 years' worth of sewing advice! It's a DVD-ROM, so you'll need a DVD player attached to your computer to install it. Once it's installed, which can take awhile, you'll have full access to all the content, which is an immense library. You can browse random issues, looking for inspiration for your next project, or you can search for specific terms. The interface is sophisticated---much nicer than the older version I had before I upgraded. It will let you bookmark any issues that you want to find again. And you can filter your search results by year, so if you know the article you're looking for was in 1992 or 1993, you can narrow the search down. This is a great product for anyone who sews! I'm a sewing teacher and I always recommend a subscription to Threads magazine to my students, and if they find it useful, I recommend the archive, too. Five stars and highly recommended! Would make a great gift for the seamstress or dressmaker in your life, too. 0 of 0 people found the following review helpful. I don't know when I will have the time to look at the entire disk! By Kindle Customer Very Interesting 1 of 1 people found the following review helpful. Five Stars By Ann E Ranly Nice magazine

30 years of instruction, tips, techniques, and tools to make you a better sewer. The Threads Magazine Archive is a tool no sewer should be without. In one amazingly easy-to-search disc, you'll enjoy 30 years of content from America's most trusted sewing magazine. That's all 182 issues of Threads, starting with issue #1 and including all the issues from 2015. You'll get the classic articles, timeless techniques, a wealth of information on the hottest topics, plus insight from our most popular contributors all the expert advice you need to sew well-made clothes that fit and flatter. And with the 2015 Threads Magazine Archive, that information is right at your fingertips. It's a breeze to search through, and you'll know that every project, technique, and tip you find here comes from a credible source, including iconic designers, renowned instructors, and industry professionals. This year's Archive includes articles that readers said they couldn't do without, such as our highly praised feature "An Unexposed Zipper", from issue #174 and our how-to on adding a princess seam found in issue #170. Detail-oriented articles such as "Precision Collar Band" from issue #173, "Reshape a Neckline" from #169, and "Zipper by Machine" from #171 gave our readers the tips and answers they were searching for. From issue #171 our feature, "Altering Home-Sewn Garments", helped lots of readers attain the kind of fit normally found in only custom-made clothes, and our cover story from issue #170 "Sew a Classic Sheath Dress" showed how to get a fabulous style and impeccable fit on a classic (and who can forget that breathtaking pink dress!). Every issue is packed with the kind of sewing know-how that you can't find anywhere else, on topics that cover everything from stunning necklines to stylish hems and everything in between!

About the Author As a leading source for all things related to garment sewing, Threads magazine is committed to serving sewers of all skill levels and providing the right tools to create functional and fashionable clothing to last a lifetime.
