Shabd Simon-Alexander : Tie-Dye: Dye It, Wear It, Share It before purchasing it in order to gauge whether or not it would be worth my time, and all praised Tie-Dye: Dye It, Wear It, Share It:

2 of 2 people found the following review helpful. Great book for beginners and advanced Dyers alike. By Tiffany Vanital LOVED this book! I am a creative being and crafting is my go to hobby for relaxation. I wanted to make shirts with my little cousins this summer so I bought a dye kit, and I thought, well it would be nice if I had a book on it because I love color. This book is absolutely well written, its is great for a beginner, and I think its good reference for more advanced tie-dyers. It will have a permanent place in my library. 2 of 2 people found the following review helpful. A Must have for anyone interested in tie dye! By cfcreate I must first say that I am just beginning in tie dye, I

have only made a few t shirts. This is my first book on the subject. I love this book! Shabd starts by giving an explanation of tie dye around the world. This may or may not interest you, it did interest me since I want to learn everything I can about tie dye. The author goes on to explain what you will need to begin, color theory, what type of fabric is best for tie dye and then right into some awesome projects. There are additional tips throughout, giving you ideas on how you might make it a different way. She includes instructions for 22 projects, ranging from clothing to home decor items. I plan on making at least 15 and have ordered my dyes for half of them! Highly recommended if you want to learn tie dye! 9 of 9 people found the following review helpful. Great ideas By Flexy After getting by monthly DIY box from Brit and co, this month was tie dye. Wanting to know more I went to their blog and they raved about this book and a specific type of dye (its talked about in the book). So I ordered it. I've now spent many not so lazy days using all the techniques shown. And it gives lots of history and knowledge on tie dyeing.

THE MODERN TWIST ON TIE-DYE Tie-dye has grown up and resurfaced as one of today's most inspired looks. Whether dip-dye, shibori, ombr, or the traditional circle pattern, the new take on tie-dye is amazingly fresh, fashionable, and fun. In *Tie-Dye: Dye It, Wear It, Share It*, acclaimed fashion designer and artist Shabd Simon-Alexander shares her techniques for creating the innovative styles that make her own hand-dyed collection so popular. Packed with Shabd's design secrets, color guidance, expert tips on making each piece distinctly your own, and twenty-two step-by-step projects for garments, accessories, and home decor items, this book will soon have you creating sophisticated dresses, leggings, scarves, tees, and more. Once you experience tie-dye like this, you'll never think of it the same way again!
