Kathryn Kreider : Tie-Dye! Easy Instructions for 20 Fantastic Projects before purchasing it in order to gage whether or not it would be worth my time, and all praised Tie-Dye! Easy Instructions for 20 Fantastic Projects:

4 of 4 people found the following review helpful. Good but no color!By AliThis a nice little book, 95 pages, clear instructions, with illustrations. But what stands out most is that the book is in black and white! A tie dye book in black and white! That said, the instructions are clear and easy to follow. It just seems strange to not have any color pictures for a very colorful hobby.
