Instructions not entirely clear By charlskid Love the design and presentation but as an experienced crafts person, I found the instructions somewhat lacking. I further suggest that permission be given to make a limited number of any one design could her made for sale at church fairs and consignment craft shops. Prohibition of such use limits sales potential of the book. 1 of 1 people found the following review helpful. Love this book! By Customer All love all the books from this Author, including this one. 5 of 5 people found the following review helpful. Little content By Fbia Diniz Mendonaa small book, fine, not interesting , just one doll , a lot of picture and little content, its a poor edition of a tilda books , waste of time.

Create beautiful dolls and accessories for winter using the latest Tilda fabrics. From pretty skating angels in warm fur coats to chalet girls with cosy knitted jumpers, these new Tilda designs celebrate the winter season in style. Transform pentagons and hexagons into mini patchwork balls and tablemats, or make a quilt or cushion with beautiful Tilda fabrics. Hanging santas, paper angels and Christmas stockings are perfect festive decorations for your home, and there are adorable polar bears to delight the little ones!

About the Author Tone Finnanger is a talented designer and an expert in drawing and painting techniques. She worked as an interior designer and decorator in Oslo, Norway, before moving to a small island near Tonsberg. She has a distinctive style that has proven to be popular with crafters of all ages and abilities. Tone formed the Tilda brand in 1999 when she was just 25 years old. It is now well known for its whimsical, comical and naive characters in the form of animals and dolls. The brand has also developed a range of craft products for sewing and paper craft that are produced and distributed by Panduro Hobby.
