Monte Burch : Tool School: The Complete Guide to Using Your Tools from Tape Measures to Table Saws before purchasing it in order to gage whether or not it would be worth my time, and all praised Tool School: The Complete Guide to Using Your Tools from Tape Measures to Table Saws:

0 of 0 people found the following review helpful. Four StarsBy E S.Lots of great info for an experienced DIY want to be.0 of 0 people found the following review helpful. a good reference bookBy Simply HinesI found this book at the library and liked it enough to buy it as a resource.1 of 2 people found the following review helpful. Re-teaching myself on DIYBy N. BruceWhen my husband knew he was going to pass on, he gave all of his tools to his sons. This left me with very little for fixing things around the house. I think he thought I would want to live in an apartment or condo and

wouldn't need any tools. Well I have kept my house and I am not afraid to work on it when needed. I know how to use a drill and a skill saw. I purchased this book to help me decide on how to restock the garage with tools that will come in handy. To me it is similar to sewing and making repairs. The only difference is that the tools are bigger and the material is a lot less flexible.

Learn the tools and the techniques with this invaluable resource for every woodworker. With any project, having the right tools is only half the battle. It's knowing how to use them that can make or break a project. Tool School is the all-in-one, easy-to-use reference for every woodworking tool there is, from hammers and nails to lathes, band saws, and portable electric sanders. With over forty years of experience, Burch guides the reader through the entire process of choosing, buying, and using the right tools to get the best results. Subjects covered include: Handsaws Chisels and gouges Hand planes Drills Routers Electric saws Radial arm and miter saws Boring tools Bench sands And many more! Fully illustrated with hundreds of color photographs and diagrams, Tool School is the essential manual for dozens of tools and an infinite number of projects. With this book, you will never buy the wrong tool again or work twice as hard to do half the work with a piece of equipment that isn't made for the job. Learn how to set up your tools accurately and safely to get the most out of your equipment every time you use it.

About the Author Monte Burch is an award-winning freelance writer, photographer, and author of over seventy-five books and thousands of outdoors and how-to magazine articles. His books range from building outdoor gear and hunting lodges to hunting turkeys to seasonal patterns for walleye.
