Colleen Dorsey : **Totally Awesome Rubber Band Jewelry: Make Bracelets, Rings, Belts More with Rainbow Loom(R), Cra-Z-Loom(TM), or FunLoom(TM)** before purchasing it in order to gage whether or not it would be worth my time, and all praised **Totally Awesome Rubber Band Jewelry: Make Bracelets, Rings, Belts More with Rainbow Loom(R), Cra-Z-Loom(TM), or FunLoom(TM)**:

15 of 15 people found the following review helpful. easy instructionsBy CustomerThis book has easy to follow instruction and many patterns too chose from. Much easier than watching on you tube0 of 0 people found the following review helpful. Helpful book for the beginnerBy bethfrdhThis was a pretty good book for beginners. It

might appeal much more to a girl than a boy as far as design - some are more girly and feminine in style, but there are several that boys would like. My 3 boys learned a couple of new designs they hadn't learned from the kids at school already. It shows all the basics, plus some unique patterns, how to use the loom, etc. Like I said, great for beginners - not sure how much more detailed or complicated band jewelry could get, so it's probably most of what you'd need to know while learning, then you can improvise and use your imagination to build on what you learn in this book - that's what my kids are doing now. I got one for my boys, and another for my 12 year old niece - she loved it too. 0 of 0 people found the following review helpful. Wish we could rate this 10 stars! By Kindle Customer We downloaded this book via Kindle so that we can use it on our kindle, ipods, and android phone. By having it always available in our pocket we've been able to make hundreds of bracelets with these simple directions, clear photos, and simple diagrams. Prior to using this book, our most complicated bracelets were the fishtail. Now we have amazing starbursts and zippers. The directions are quite clear, but having the clear photos has been quite helpful. Best of all, are the clear diagrams at the end of the sections. This allows us to quickly remember the order of weaving the bands, which is critical for a successful bracelet. We wish all To Do books were as clear as this book, *Totally Awesome Rubber Band Jewelry*.

Are you ready to make the most awesome, fun bracelets EVER? Then jump into *Totally Awesome Rubber Band Jewelry*! With this new book and your Rainbow Loom, Cra-Z-Loom, or FunLoom, you can make all of the cool rubber band accessories that are driving the hottest crafting craze in years.
