**Alan Bridgewater, Gill Bridgewater : Traditional and Folk Designs for Embroidery, Painting, Pottery and All Other Crafts (Spanish Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Traditional and Folk Designs for Embroidery, Painting, Pottery and All Other Crafts (Spanish Edition):

5 of 5 people found the following review helpful. Over 300 patterns and designsBy M. PollerWell set out design book, all black and white. Each design is given a place and date of origin. Arranged by lines, circles, entwined forms, plant forms, animal forms and borders. For embroidery, specifically goldwork, these designs need enlargement and simplification but interesting collection.
