(author) J. G. Holmstrom : Traditional Blacksmithing: The Fine Art of Horseshoeing and Wagon Making (Paperback) - Common before purchasing it in order to gage whether or not it would be worth my time, and all praised Traditional Blacksmithing: The Fine Art of Horseshoeing and Wagon Making (Paperback) - Common:

Provides practical instruction for all manner of small-scale blacksmith work. Including general life lessons for blacksmiths, such as not falling prey to habits of intemperance, this title covers topics such as:: setting up shop, building your own machinery, repairing horse hooves, and fixing your tools.
