**Popular Woodworking Editors : Traditional Country Furniture: 21 Projects in the Shaker, Appalachian and Farmhouse Styles** before purchasing it in order to gage whether or not it would be worth my time, and all praised Traditional Country Furniture: 21 Projects in the Shaker, Appalachian and Farmhouse Styles:

2 of 2 people found the following review helpful. At the right price, this is a pretty good bookBy Happy TenAt the right price, this is a pretty good book. I'm usually not a fan of books that are simply recycled old articles that were published in a wood working magazine. This book however is an exception. The paper is heavy gloss stock, there's plenty of large color photos, reasonably good plans and well thought out instructions on how to assemble the 21 projects. Virtually every single page and every inch of each page is dedicated to some type of useful information. I'd rather pull this book off the shelf than go searching through my old magazines looking for projects.The projects are

nice pieces, they're straight forward, and vary in difficulty. While there are a couple of pieces that aren't to my personal taste, none of them look like some tacky thing banged together in the basement out of #2 grade construction lumber. I plan to build more than a few of the projects.0 of 0 people found the following review helpful. Good BookBy HicovaThis book is a great resource for building country furniture.0 of 0 people found the following review helpful. Very nice book, great picturesBy RJSVery nice book, great pictures

Country Furniture That Says Quality! Country furniture styles convey a sense of simple comfort and the warmth of hearth and home. While some country furniture can be rustic, the pieces included in Traditional Country Furniture are of quality construction and design, drawing from the best of traditional American furniture styles. Each furniture piece includes step-by-step photos and instructions, with a variety of skill levels represented. Projects include: Kentucky sideboard Blanket chest Country wall shelf Tavern table Burlington Farmer's Desk Drop-leaf kitchen table Tall clock and more!
