**Chiaverini : Traditions from Elm Creek Quilts: 13 Quilts Projects to Piece and Applique** before purchasing it in order to gage whether or not it would be worth my time, and all praised Traditions from Elm Creek Quilts: 13 Quilts Projects to Piece and Applique:

12 of 12 people found the following review helpful. shows many of the 'missing' quilt blocks from books so farBy Joann C HillBlocks are clearly described and demonstrated both verbally and pictorially. I look forward to making many of these blocks. I was great to sign-up for the pre-order of this and receive it promptly without having to worry about missing its publication date. Thank you !!!5 of 5 people found the following review helpful. This book is awesomeBy Kathy GrantThis book is awesome, you can actually see the quilts that Jennifer writes about in her Elm Creek series. The patterns are clear, well written and illustrates are clear! If you haven't read her book,s order one today, if you have

then you will want this project book!  
**The Wedding Quilt: An Elm Creek Quilts Novel**  
**An Elm Creek Quilts Sampler: The First Three Novels in the Popular Series (Elm Creek Quilters Novels)**

By Nancy L. Glass  
I was introduced to the Elm Creek Quilts pattern books by reading the Elm Creek book series written by Jennifer Chiaverini. I found the books fun to read and the description of the quilts interesting. The only response I have for the quilt pattern books is "WOW" They are beautifully executed with clear instructions and full size patterns. Even if you don't quilt, they are wonderful to look at. I highly recommend these books to anyone with an interest in beautiful things as well as anyone interested in quilts. These books are delightful for the quilter as well as a coffee table addition.

Fans of Jennifer Chiaverini's Elm Creek Quilts series can now stitch up the quilts inspired by her last six novels. The best-selling author shares her inspiration for each of the quilts featured in *The Winding Ways Quilt*, *The Quilter's Kitchen*, *The Lost Quilter*, *A Quilter's Holiday*, *The Aloha Quilt*, *The Union Quilters*, and *The Wedding Quilt*. Create a bit of Elm Creek for your home!

" Chiaverini (*The Wedding Quilt*) writes novels plotted around the Elm Creek Quilters. She describes well the work produced by the women, but all the fine adjectives in the fiction do not do justice to the quilts she produces. Perhaps that's why, in addition to 18 novels, Chiaverini has also authored four collections of quilt projects, based on the novels' quilts. Her newest contains quilts described in Chiaverini's last half-dozen novels, along with sidebar quotes from the novels, but discusses little of the quilts themselves. For *The Last Quilter*, set in the Civil War, Chiaverini designed Mr. Lincoln's Spy. Pineapple Patch, the quilt developed from *The Aloha Quilt*, is worked in an emerald green material set in ivory from Chiaverini's fabric line. She designed the 13 projects, including two holiday quilts, and pieced them, sometimes aided by her mother, Geraldine Neidenbach, and her sister, Heather Neidenbach; a friend, Sue Vollbrecht, machine-quilted them. Templates are sized to work with. The directions, from cutting to constructing, instruct the intermediate quilter; for example, terms like "cornerstones" are not defined and the quilter is occasionally referred to a general quilting book for technique advice. (Oct.)" - PW, Date: 10/3/11  
About the Author  
Jennifer Chiaverini is the author of the "New York Times" bestselling Elm Creek Quilts series, five collections of quilt projects, and "Mrs. Lincoln's Dressmaker", her most recent historical novel. A graduate of the University of Notre Dame and the University of Chicago, she lives with her husband and sons in Madison, Wisconsin.
