From Leuven University Press : Transforming Anthony Trollope: Dispossession, Victorianism and Nineteenth-Century Word and Image (Studies in European Comics and Graphic Novels) before purchasing it in order to gage whether or not it would be worth my time, and all praised Transforming Anthony Trollope: Dispossession, Victorianism and Nineteenth-Century Word and Image (Studies in European Comics and Graphic Novels):

This volume is a cross-disciplinary collection of essays in the fields of nineteenth-century history, adaptation, word/image and Victorianism. Featuring new writing by some of the most influential, respected and radical scholars in these fields, *Transforming Anthony Trollope* constitutes both a close companion to Simon Grennan's 2015 graphic novel *Dispossession* an adaptation of Anthony Trollope's 1879 novel *John Caldigate* and a forward-looking, stand-alone addition to current debates on the cultural uses of history and the theorization of remediation, illustration, and narrative drawing. Contributors: Jan Baetens (KU Leuven), Hugo Frey (University of Chichester), Ian Hague (Comics Forum), Marie-Luise Kohlke (Swansea University), John Miers (University of the Arts London / Kingston University), Barbara Postema (Ryerson University), Aarnoud Rommens (University of Lige), David Skilton (Cardiff University), Frederik Van Dam (KU Leuven), Peter Wilkins (Douglas College)
