Five Stars By dianna just what I wanted 0 of 0 people found the following review helpful. Tasty pineapple quilts By Sondra Gyleen makes it so simple to make a pineapple quilt. The ruler is a necessity (in my opinion). I had purchased the ruler a year ago, and it just "sat" on the rack until I bought this great book. Definitely a good addition for your quilting library, recipes included!

"Seven incredible designs are accompanied by basic instructions in this portfolio of quilting inspiration, geared to show quilters how to turn their scraps and stash into dynamic and unique pineapple quilts. The included designs span from mosaic to stylized traditional patterns, all bounding with blasts of color."
