Cindy Ng : Travel Origami: 24 Fun and Functional Travel Keepsakes: Origami Books with 24 Easy Projects: Make Origami from Post Cards, Maps More! before purchasing it in order to gage whether or not it would be worth my time, and all praised Travel Origami: 24 Fun and Functional Travel Keepsakes: Origami Books with 24 Easy Projects: Make Origami from Post Cards, Maps More!:

1 of 1 people found the following review helpful. Eh.By J. Alycetoo complicated for this old lady. gave the book away.4 of 5 people found the following review helpful. Creative, simple and functional models with clear diagramsBy Shala KerriganI love functional origami, and paper crafting with unexpected materials. So this book is a perfect fit for my interests,The projects are for novice to advanced beginner folders. They are fairly quick with some modular designs and some single sheet designs which use materials like paper money, postcards, maps and comic books. Because the paper styles are adaptable and sourced from things you can find easily, you could also use glossy magazines or sometimes newspapers.The models are diagrammed in a modified traditional style and laid out right to left with a clear back and front of the paper done in bright colors that's easy to see and read. The guide to the folds is clear and easy to follow which makes it good for novices.The models themselves are mostly functional. Lots of

wearable projects like rings, a bracelet and a necklace. The suggested papers are just that- suggestions. You can cut any paper to fit the dimensions which are clearly stated. There are picture frames, little dishes to hold small things in, envelopes, gift wrap bag and decorative items like the modular postcard star on the cover. My favorite project is the modular money bowl which is a cute bowl with feet. It does require adhesion so you can just use a dollar as a pattern on a different type of paper to make it if you'd like. I love the idea of saving your memorabilia in a way that it can be used and displayed daily, and this book is a way to do that. Complimentary copy received for review on my craft blog. This is my honest opinion. 0 of 0 people found the following review helpful. This is a beautiful book, but unfortunately style trumps substance. By H. This is a beautiful book, but unfortunately style trumps substance. As with GIRLIGAMI, there are projects here with instructions so convoluted as to make them impossible to create. Typographical errors and incomplete description also make for rough going. The Postcard star featured on the cover is a fab idea, but there is so little overlap between the pieces that even making it with double-sided tape as the instructions suggest left me with an item that immediately fell apart. I bought this book because I love origami, then pitched a review to a site I write for. They wrote back: "Make all the models first. We featured one of this author's books in the past and regretted it when it turned out staffers couldn't reproduce the models as described." I tried, and saw their point. Those new to origami will likely struggle with this--I see one reviewer already gave the book away because it proved to be "too hard." Save the interesting paper you find in your travels, and make models of it using virtually any other origami book out there. You'll have a much better time than you will with this one.

Make flashy origami projects out of postcards, photos and other travel keepsakes with this easy origami book. In Travel Origami, author Cindy Ng shows you how to take the paper souvenirs you collect on your travels and turn them into beautiful and useful folded origami objects that serve as visible mementoes! Use those postcards, street maps, tickets and souvenirs and convert them into artful memories that can last a lifetime. Whether you are a world traveler or a local vacationer, Travel Origami gives you 24 easy-to-fold origami projects that are fun to make and fabulous to display in your home. Foolproof step-by-step instructions show you how to fold your paper collections into special items you can wear, carry, hang on your wall, or give to a traveling companion as a special keepsake. Use it to craft eye-catching origami for your friends, to decorate your room or as a wonderful gift for paper craft lovers. All of the folds are simple enough to be origami-for-kids projects and are a great way to learn origami. None of the projects require paint or glue so just grab some origami paper and start folding right away! This origami book contains: 120 page, full-color book 24 fun and functional origami projects Step-by-step instructions Colorful diagrams and photos Origami basics and tips Travel Origami is the perfect way to stretch your adventures into hours of memory-making fun while reminiscing with family and friends. Origami projects include: Comic Strip Bracelet Metro Card Holder New Kind of Envelope Modern Money Ring And many more

"I like the premise of this book - using paper from your various travels to make keepsakes. The designs and ideas are fun, and give purpose to materials you might not consider for origami, such as candy wrappers, paper bags, comic strips and more. Also included are a few paper currency folding ideas. All with nice write-ups, finishing and display ideas. The designs range from the decorative to the functional. The book itself is beautifully produced, printed in full color on glossy paper, with nice photographs throughout." Gilad's Origami Page "Cindy Ng's elegant designs are a modern twist on a beloved ancient art form. Cindy's contributions respect origami's roots while enlivening the art form with an innovative and colorful approach." BestAmericanArts.com blog "The author's lightbulb idea is to transform travel-related paper stuff brochures, picture postcards, sweet wrappers, maps, paper bags, bank notes, even drinking straws into almost-instant origami mementoes. Tah dah you are simultaneously recycling, occupying/entertaining the kids, and producing fun origami souvenirs. Magic! [] The projects are suitable for origami beginners. This title would make a fabulous bon voyage gift. Captivating keepsakes are just a few folds away. Guaranteed to bring a smile." The Papercraft Post blog "Have lots of fun paper souvenirs leftover from that last trip? This fun book gives you some creative ideas to display them! Use those postcards, street maps, tickets and souvenirs and convert them into pretty art that brings back memories. Travel Origami: 24 Fun and Functional Travel Keepsakes gives you 24 easy-to-fold origami projects along with step-by-step instructions showing you how to fold your paper collections into special items you can wear, carry, hang on your wall, or give away as a special keepsake. My husband always collects maps and brochures of the areas that we travel to. I'm thinking some of these great ideas could be turned into something fun like a refrigerator magnet!" Suzy's Artsy Craftsy Sitcom blog "I liked the concept of making keepsakes out of collected ephemera from my vacations." Zakka Life blog "I love functional origami, and paper crafting with unexpected materials. So this book is a perfect fit for my interests, and hopefully for yours as well. [] The models themselves are mostly functional. Lots of wearable projects like rings, a bracelet and a necklace. The suggested papers are just that- suggestions. You can cut any paper to fit the dimensions which are clearly stated. [] There are picture frames, little dishes to hold small things in, envelopes, gift wrap bag and decorative items like the modular postcard star on the cover. [] I love the idea of saving your memorabilia in a way that it can be used and displayed daily, and this book is a way to do that." Don't Eat the Pasteblog "[] this would be a great book for someone who has never done

origami but curious, and wants an out-of-ordinary activity while traveling. The concept of folding paper souvenirs into fun and functional keepsakes is fantastic." Yuki's Origami Blog"Cindy Ng author of the popular origami kit Girligami continues her modern twist on origami in Travel Origami, 24 Fun and Functional Travel Keepsakes, published by Tuttle. Non-traditional sizes and types of paper are folded into sentimental origami souvenirs. Turn travel ephemera like flyers, brochures, leaflets, pamphlets, maps, programmes, packaging, advertising, posters, newspapers, tickets and labels into origami tokens of remembrance." Handmade by Deb blogAbout the AuthorCindy Ng is an origami designer whose mini kits and jewelry are sold in museum shops worldwide. Her work has been featured in Real Simple, Elle and the New York Times. She is the author of Girligami Kit.
