G. D Inskip : Treatise on mathematical and graphical roof framing: For builders, carpenters and iron workers before purchasing it in order to gage whether or not it would be worth my time, and all praised Treatise on mathematical and graphical roof framing: For builders, carpenters and iron workers:

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
