There are just some really cute ornaments in it. Nothing fancy, just fun and fairly easy to very easy to make. There are enough I want make that it is a worthwhile purchase for me. They dont take an overly long time to make. Which is great. I am a crafter and I don't often like to spend a lot of time on too many projects. I also really like that the book has patterns included. I would recommend this book for anyone who wants to make cute ornaments and doesn't have a lot of time to spend doing it. Or even if you do have a lot of time. It's a fun book.2 of 2 people found the following review helpful. Particularly like that there is a pattern

sheet pull out with ...By Kindle CustomerExactly what I wanted - a variety of old fashioned Christmas ornaments in a variety of fabrics. Particularly like that there is a pattern sheet pull out with full size patterns included. Something for every level of crafter from beginner to experienced.1 of 1 people found the following review helpful. ORNAMENT BOOK REVIEWBy Cheryl Halllove all the ornament ideas. would have been nicer if the patterns were just on one side

When you look at your Christmas tree, which ornaments stand out the most? Chances are its those that were handmade, either by you or by a loved one. The best things about handmade ornaments are the memories that come with them. This year, why not create more memories by hand making the ornaments in this book? You can make them as gifts or get the whole family involved, spending the afternoon crafting. The book includes 53 designs across a wide variety, from traditional to whimsical, for the very young to the young at heart, and even ornaments for pets. Many of the ornaments are easy to make and can be finished in an hour or two using general supplies found in local sewing and craft stores. If you have a stash of scraps, this is a wonderful way to make good use of these on-hand fabrics. Dont stop with making Christmas ornaments, though. Further your creativity by using these designs to make gift tags, hot pads, cards, coasters, or mug rugs. If you enjoy making ornaments but your list is small, make them by the batch to sell at a craft bazaar or bring a smile to strangers' faces by giving handmade ornaments to your favorite charity. May you have a lot of fun making Christmas ornaments that your family and friendsand perhaps otherswill cherish for many years to come.
