Mike Cripps : Turning Candlesticks (Schiffer Book for Woodcarvers) before purchasing it in order to gage whether or not it would be worth my time, and all praised Turning Candlesticks (Schiffer Book for Woodcarvers):

Mike Cripps takes the reader through all the steps required to make a handsome, traditional candlestick and an imaginative three section candlestick turned from a single log. Over 230 color photographs taken from the turner's perspective illustrate the instructions. In addition, Mike provides an instructive introductory text that presents all of the basic wood turning tools and techniques for beginners. Patterns and a color gallery round out the presentation. This book will provide hours of turning enjoyment for beginners and seasoned veteran turners alike.
