Foreword by Gary Rance (author) Chris West : Turning Salt Pepper Shakers and Mills: 30 Projects for Turners of All Levels (Paperback) - Common before purchasing it in order to gage whether or not it would be worth my time, and all praised Turning Salt Pepper Shakers and Mills: 30 Projects for Turners of All Levels (Paperback) - Common:

Please pass the salt! And pepper! This first ever book dedicated to turning salt and pepper shakers and mills will guide turners in creating small projects that are practical and beautiful, perfect for yourself or to give as a handmade gift. The 30 step-by-step projects, rated by level of difficulty, are fairly easy to finish and use only small amounts of expensive materials. While turning wood is...
