Substitutes are hard to find.2 of 2 people found the following review helpful. Great recipes for body products!By TinaThis book has some great recipes. I have tried these products from Rustling Sage and am excited to get to make my own. The book is very thorough I actually contemplated starting my own business. Tonya gives tips and pointers for starting a business and even gives her permission to use these recipes for that! I love that she gives personal tips on what to look out for and how to be safe. I'm thinking a lotion making party with a friend would be a great way to spend a day!

Find your serenity in nature. The caress of a handcrafted lip balm, the soothing glide of your own massage cream, the tranquil escape of a lavender-scented shower. If you are comfortable in the kitchen, then this collection of toiletry and cosmetics recipes will become a haven of hand-conjured peace for both mind and body. And when you craft your own serenity, you can always be confident of the ingredients that enrobe both your skin and your senses. TWILIGHT where day fades into night and imagination drifts away.DANCE where the body floats free into sensuous beauty. Buy now and let the escape begin!

About the AuthorTONYA MACALINOis the former owner of Rustling Sage Bath Body which grew out of a love of

both cooking and haunting boutiques in search of the perfect bath treat to help her slip into that moment out of time. These days Tonya is a full-time novelist. You can find excerpts from her supernatural thriller series, **THE SHADES OF VENICE**, and sneak peeks of her children's adventure series, **THE GATES OF AURONA**, on her website at [tonyamacalino.com](http://tonyamacalino.com).
