Geert Pattyn : Twinkling Christmas: Geert Pattyn before purchasing it in order to gage whether or not it would be worth my time, and all praised Twinkling Christmas: Geert Pattyn:

The last months of the year are the ideal period to indulge in floral decoration. Beautiful wreathes, garlands, dressed tables and Christmas trees give an extra twinkle to cosy homes. In Twinkling Christmas , Geert Pattyn comes to the fore as a master at decorating living rooms and festive spaces, offering a unique floral Christmas edition. Geert inspires us with sparkly wreathes, surprising Christmas compositions and slightly alternative Christmas trees. The book is filled with fresh floristic ideas to finish the year in flowery beauty. Text in English and Dutch. Also available: Christmas: Creativity with Flowers ISBN 9789058562074
