Bain As a woman who battled with infertility for 5 years and dealt with the soul shattering possibility that I may never have a child, when my miracle was born and I decided to make a scrapbook, many times I was lost on how to put my feelings into words. When I did find something I loved, it was usually written by Linda LaTourelle. So I knew when I

found this book, I had to have it. It just came today, and as I sit here reading it, it brings tears to my eyes. Absolutely perfect and exactly what I needed!! You'll become nostalgic as you read these wonderful treasures and find the right words everytime.

About the AuthorIn 2003, Linda LaTourelle was boxing and shipping copies of her self-published compilation, *The Ultimate Guide to the Perfect Word*, from the guest room of her home in Mayfield, Kentucky. That was the birth of Bluegrass Publishing. Since then, Bluegrass Publishing has grown into one of the leading publishers of collections of original and traditional verses, quotes and sayings in the scrapbooking industry. The success of *Word* led to the publication of *The Ultimate Guide to the Perfect Card* in February, 2004. In July of that year, Linda made her debut at the Association of Crafts and Creative Industry's convention with *The Ultimate Guide to Celebrating Kids*. She has continued that trend by releasing the elementary school edition, *The Ultimate Guide to Celebrating Kids Vol.2* and an expanded edition of *The Ultimate Guide to the Perfect Card* in the summer of 2005. In addition to her own writing, Linda continues to seek out and publish some talented writers, poets and artists in, and out of, the crafting world.
