Leisure Arts : Ultimate Handbook for Paper Crafters before purchasing it in order to gauge whether or not it would be worth my time, and all praised Ultimate Handbook for Paper Crafters:

0 of 0 people found the following review helpful. Some Good Ideas But . . .By JamesI received this book in December and have been marking the cards I want to make. However, when I go to get the listed supplies, several times I have found that the supplies listed are no longer available. Having said that, this book has several good ideas and tips, but I have to improvise with the supplies, tools, dies, stencil, rub-ons, etc. that I have. It would be helpful if the book offered alternative methods. Would I recommend this book, of course, Yes. 4 of 4 people found the following review helpful. Not ultimateBy Ms. LThis book is just a bunch of assembly projects that say "Buy this ready made thing and glue it to other ready made things." There is no creativity here, just shopping lists. 2 of 2 people found the following review helpful. Ultimate Card makers bookBy cindy hookYes, this is the ultimate book for card makers. I checked it out of the library and found a lot ideas and fun things to do. I marked so many pages of cards to make that my friend said I

should buy it! So I did!

5751 Ultimate Handbook for Paper Crafters Sure to become your creative partner in paper crafting for years to come, The Ultimate Handbook for Paper Crafters explains which design elements make a card fun and cute (polka dots for sure), clean and graphic (no frills), classy and elegant (sweeping and dramatic), and shabby chic or vintage (layers, layers, and more layers). You'll also learn how to use unique color combinations like jewel tones and monochromatic schemes to design cards that really make an impression. There are step-by-step photos for popular stamping techniques, plus must-have information on essential tools. With more than 1,000 projects, tips, tools, and techniques, this volume of fundamentals is one to keep within reach for whenever you need to create a little paper-crafted perfection!

About the AuthorAs the most popular paper crafting publication on the newsstand today, Paper Crafts magazine is known for providing fresh and creative paper crafted projects in a wide variety of styles. From cards that can be made in five steps or less to party ensembles that make any occasion festive, the editors skillfully select the paper inspiration that crafters appreciate.
